1990 Learjet 55C Specifications

MIAMI JET

Highlights

Sn.145 is an excellent example of the highly desirable and capable Lear 55C. This jet is very impressive inside and out, and well-maintained. The Lear 55C model features delta fins for increased stability and shorter runway capability. Factory auxiliary fuel tanks were added for extended range. Come see and fly your new Learjet!

Acquisitions Services

We make the process of acquiring an aircraft stress free and enjoyable. We will find the best aircraft to meet your needs and missions and are at your side each step of the way from beginning to end.

Brokerage Services

We execute a worldwide marketing program to ensure your aircraft is seen by the right pool of potential buyers and only show your aircraft to qualified buyers.
